**Item 1: Approval of 2/27/2014 Minutes** (5 minutes)
Description: Review and approval of minutes of 02-27-14 meeting

Minutes from 2/27/2014 were approved with no changes.

**Item 2: IT Trends / Innovative Activity** (10 minutes)

David Sweeney: MaroonLink will launch on April 1st, 2014.

Bill Chollett: Library has purchased 6 chrome books and have been testing them out to circulate to students.

Adam Mikeal: Brought up the Colonias Program. More information can be found out by going to: colonias.arch.tamu.edu

Allison Oslund: TTI is working on an app that will help guide people around campus on football gamedays. The app will fully launch in fall of 2015.

John Kovacevic: TAMU Galveston just launched their app. It is integrated with their version of Collegiatelink

Jim Culver: Showed us the new Aggie map: fcor-aggiemap.tamu.edu

Erick Beck: The current TAMUmobile app contract with Blackboard has been extended by one year, until April 2015. At that point the contract will have to be rebid or the apps brought in-house.

**Item 3: eScience and Scholarly Communication/Collaboration** (25 minutes)
Description: Dr. Bruce Herbert, University Libraries

Dr. Brue Herbert came and spoke about Federal Public Mandates and the emerging need for Data Repositories.
Dr. Herbert said that publically funded research should be publically available. Some things that need to be developed are:
- Data repositories
- Digitally enhanced scholarship/project team collaborative systems
- New models of digital publishing

**Item 4: Feedback from “IT Roadshow” (20 minutes)**

David Sweeney said that Dr. Cantrell received negative feedback after ITAC did their roadshow for CPI. One of the biggest pieces of negative feedback was that ITAC’s roadshow did not give recommendations.

It was suggested that ITAC meet with their individual Deans and Vice Presidents.

Becky Carr said there is a need for input for a strategic plan. People don’t know what they need until they actually need it.

Mark Altman said that after he reviewed the results of the feedback cards and surveys, the biggest issue was trust all around.

**Item 5: ITAC Retreat/Upcoming Election (20 minutes)**

Description: Discuss annual retreat location/dates. April elections.

It was suggested that ITAC have their annual retreat at La Torretta on July 31st and August 1st. It will be Thursday afternoon and all day Friday.

Nominations for the Chair, Vice Chair, and Secretary position will be due during the first ITAC meeting in April. The election will take place during the second meeting of April.

**Item 6: Open Discussion (10 minutes)**

Allison Oslund brought up the Email Advisory Committee and how they approved that subject matter experts be used to help test email.

Cheryl Cato suggested that there be 5-7 subject matter experts to be a part of the technical team.

Here are the following subject matter experts:

Heath Simon, Kevin Glueck, Stephen Pampell, Dale Cook, Bob Scribner, and Stewart Hutchins

Allison Oslund also brought up a survey that would be going out for Deans and Vice presidents asking them which email service they plan on going to. Survey will be sent out to ITAC members for recommendations.
